1. You are about to see the glory, my glory, experiencing the/my world of glory (1). I love you. I promise. I promise. The now is. Promise.
I am the promise and I yield my promise to you surrendered one/promise.
The world will see/wonder at your glory.
The beheld of the beheld in the beheld, I behold; you behold, you beheld.
And I love you even more.
I love you now.
Glory is your/my/our name.
Today is your glory.
Tomorrow never comes for today/time is yours/now and mine is.
We are one.

2. **This is the day of my glory, my sons, my sons that are one, the ones that are one, sons and daughters that are one become one.**

3. See what I've said and explain forever, not; but yea and amen. Now and throughout eternity you show oneness and one; and whose chair are you in? Mine. Thank you for showing all my chair. I love you. Go in peace, the transcendence you seek is yours/mine. The glory that I've given you is seen/visible and whoso can heal people/the multitudes? You, my influencer not, my leader, not; but my surrendered drink-offering'd disciple who knows me, my name, my whereabouts and how to call/phone me any time: access denied, never; not once will ever be. I love you. Thou art Jehovah Jireh. Thou art Jehovah the king. Thou art the unlimited Christ that tells/shows all the kingdom is mighty/revealed and nothing stays anymore the same.

4. All religion crumbles under the weight of authority-sought by its leaders.

5. Watch me redefine religion, court-house, authority, surrender, meekness, leadership, church, government, education, nation-building; of only me, my kingdom,

father's heart. We are one. And all changes at midnight, the stroke of a pen, not; yea all in father's mind/heart/eyes are. I love you all.

6. You are about to see my glory, pass through my glory, and never be without my glory. I love you. My promise, yours. My promise, you. You are my promise. I promise.

7. Go and rest and know you'll be hear again soon, soon, very very soon. I love you all.

8. See my glory. See/be my divine one. See one, divine one through my surrender, white bright light. I love you all.
Good night.
